REEBOK CONSOLE APP

REEBOK / SS26 CARDIO

- CONNECT WITH POPULAR TRAINING APPS* SUCH AS ZWIFT, KINOMAP AND PELOTON
- SYNC YOUR DATA WITH APPLE HEALTH, GOOGLE FIT, AND OTHER FITNESS TRACKING PLATFORMS
- EXAMINE YOUR WORKOUT DATA THROUGH COMPREHENSIVE GRAPHICAL REPORTS
- PRE-SET FITNESS PROGRAMMES TAILORED TO REEBOK CARDIO EQUIPMENT
- SHARE MILESTONES ON SOCIAL PLATFORMS

Discover the Reebok Fitness Console App: the perfect partner for your Bluetooth enabled Treadmill, Bike, or Cross Trainer.

Take your training to new heights with an intuitive app that injects new life into your sessions. Connect with popular training apps like Zwift, Kinomap and Peloton to bring excitement and diversity to each workout, allowing you to join interactive classes and experience more immersive training environments.

Discover a varied selection of ready-made fitness programmes designed exclusively for Reebok cardio machines.

Challenge yourself and monitor your development through detailed performance reports, track the progress of your journey, and acquire valuable training insights. Furthermore, you can directly share fitness milestones on your social media platforms to celebrate each achievement.

Effortlessly use the app on your smartphone or tablet across our cardio range, documenting each workout as you progress towards your fitness targets. Additionally, you can seamlessly sync your training data with external health and fitness tracking apps, allowing the continued use of your preferred tools while maintaining data security and confidentiality through TLS encryption.

Experience the Reebok Fitness Console App by downloading it from the App Store or Google Play and embark on a new fitness journey.

REEBOK / SS26 FITNESS

FEATURES

Crafted for ultimate comfort, the elbow support is made from an elasticated nylon blend that is engineered for effective compression and increased airflow, ensuring your skin can breathe as you push your limits. Thanks to its ergonomic design and circular knitted structure, the support creates a more comfortable and form-fitting solution that contours seamlessly to your joint, providing unparalleled support from the moment you pull it on.

- Provides joint support for all sport and exercise
- Made from an elasticated nylon blend for comfort and breathability
- Circular knitted structure forms to the joint to provide greater support
- Elasticated bindings at the top and bottom ensure a secure fit
- Fits both the left and right arm
- Hand-washable up to 40°c and quick to drip dry

STRENGTH SERIES WEIGHT VEST

REEBOK / SS26 FITNESS

FEATURES

Bringing more intensity to your workouts, the Reebok strength series weight vest ramps up your sessions for potently progressive training. Helping to tax your muscular and cardio endurance, the vest makes any movement more effective; taking a toll on your muscles for more challenging fitness.

Strategically constructed for total balance and stability, the vest's enclosed weight pouches maintain a natural body feel for enhanced but un-effected training. Secured tightly with dual buckle fastenings, the vest stays put through demanding and energetic sessions; helping you push towards a new fitness baseline.

- Boosts your training intensity
- Strategically placed weight for balance and stability
- Dual-buckle fastenings for a locked-in fit
- Laser-cut ventilation encourages airflow
- One size fits all
